

TZAR INVESTMENT GROUP

US & India Aerospace, Defense and Security Advisory

**A hybrid US/India focused investment
advisory, consulting, and private equity
fund**

Tzar's Investment Group

About Us

Tzar Investment Group, LLC is a global investment advisory, consulting, and strategic business development firm with offices in Providence, RI, New York, NY, and Chennai, India.

- ▣ Tzar's focus is to assist small to mid-sized US & India aerospace and defense related companies to expand their business to/from India**
- ▣ Meet the growing demand to mature the private sector Aerospace and Defense supply chain in India**
- ▣ Tzar establishes long-term strategic relationships with client companies to facilitate strategic partnerships, cross-boarder joint ventures (cbJVs), revenue expansion strategies and global expansion strategies internationally**
- ▣ Client companies will receive request for proposals (RFPs), product procurements requests and purchase requisitions from Tzar's counter partners**

Aerospace, Security & Defense Focus

Our Goal...

Meet the growing demand to mature the private sector Aerospace and Defense supply chain in India.

- ▣ **Focusing on guiding and assisting client companies in operating in this unique sector in India**
- ▣ **We proud ourselves on using industry and international best practices and understanding the regulatory and legal environment for secure international business dealings**

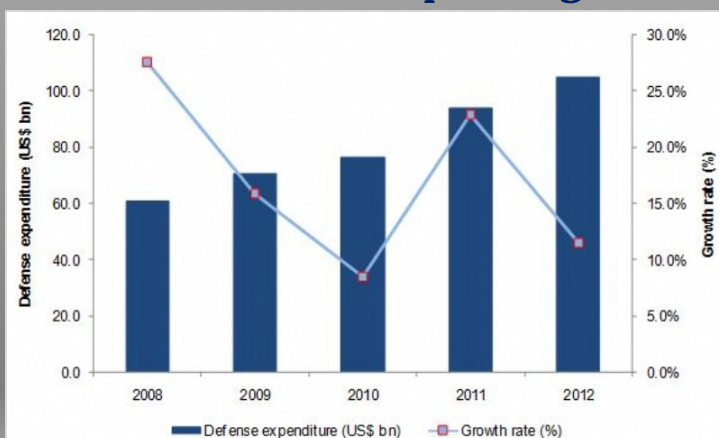

Current Partnerships:

- **Industrial Gas Equipment supplier for the Indian Navy**
- **Oil Filtration Company in India**
- **Aerospace engineering corporations**
- **Tactical and rescue gear manufacture and supplier**
- **Indian Navy Distributor**

Why do business in India?

- The Indian government has increased defense related capital outlay by 15.7% to recapitalize, modernize equipment, develop technologies, and invest in defense infrastructure
- 40% of capital outlay will go towards signing new contracts, while remaining 60% will go towards existing contracts
- While the US Government is looking to cut defense spending across the board by \$500mm over the next 10 years

US Defense Spending

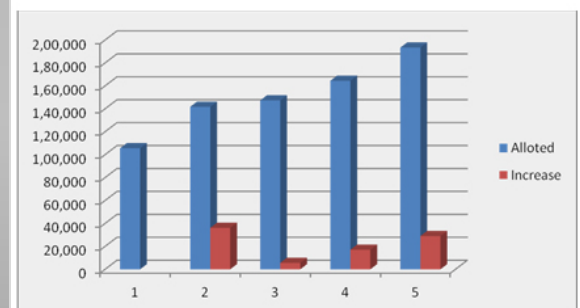

India Defense Budget Allocation

Year	Budget Allocation		Change	
	INR Cr	USD Billion	INR Cr	USD Billion
2008-09	105,600	20.52	-	-
2009-10	141,703	27.54	36,103	7.02
2010-11	147,344	28.63	5,641	1.10
2011-12	164,415	31.95	17,071	3.32
2012-13	193,407	37.58	28,992	5.63

(Conversion rate as on 22/03/2012 is 1 USD = 51.46 INR)
